**SUBJECT:** FMNP Policy Memorandum: #98-3  
WIC Farmers' Market Nutrition Program  
Revised Grant Amounts and Market Development Funds Fiscal Year 1998

**TO:** Regional Directors  
Supplemental Food Programs  
All Regions

This memorandum transmits revised grant amounts for WIC Farmers' Market Nutrition Program (FMNP) for fiscal year (FY) 1998.

We have been informed by our Accounting Division that \$652,686 in unspent FY 1997 FMNP funds are available at this time. Additionally, Minnesota has returned \$74,998 in FY 1998 funds, bringing the total available for reallocation to \$727,684.

Previously, in a memorandum and spreadsheet dated February 13, 1998, we transmitted grant amounts utilizing the full \$12 million appropriated for FY 1998 FMNP. We were able to fund State agencies at the previous year's levels and provide for some expansion. This memorandum provides for additional expansion funding utilizing the entire \$727,684 that is now available for reallocation. We are able to fulfill all expansion requests with this amount.

The attached chart also reflects revised administrative rates for those States agencies approved for market development/technical assistance funds.

Please inform your FMNP State agencies of the availability of these funds as soon as possible.
